APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is granted subject to prior rights. In the event of conflict, the State Engineer reserves the right to regulate the use herein granted.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed

Ten (10) cubic feet per second, but not to exceed 1920 acre feet per season of five months, which is considered the irrigation season.

Actual construction work shall begin on or before May 28th, 1914.

Proof of commencement of work shall be filed before June 28th, 1914.

Work must be prosecuted with reasonable diligence and be completed on or before May 28th, 1915.

Application of water to beneficial use shall be made on or before October 28th, 1920.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before November 28th, 1920.

WITNESS MY HAND AND SEAL this 28th day of February, 1914.

Compared APR - 3 1917
Certificate of failure of applicant to comply with provisions of permit.

W. W. Kearney
State Engineer.
